## COMMENTS FROM THE TOWN MANAGER'S OFFICE

The tarring program for 1964 will begin next week. The amount of work planned for this year is about the same as last year only more of the work this year will be done on town streets. The town road improvement that was constructed last year will be penetrated and mulehed and the old Grover Hill road that is south of the Steam Mill will be penetrated this year. I can see that the street tarring in town will cause an inconvenience and hardship for some people but the streets must be maintained and tarred every few years.

The preliminary investigation of the Mason Street limits has been done and the street will be surveyed and staked this coming week. It is only a two rod street so it cannot be constructed much wider than it is now. After the center line has been established, side stakes for future reference will be put out so that distances and elevations can be relocated after the street is torn up. These stakes and markers are very necessary during the construction of the street and I request that abutting property owners help maintain the stakes. The construction of the street will not start until July.

Michael Houlihan

Mrs. Mary Dupsa, Youngstown, Ohio; Ruth and Julie Bishop, Hubbard, Ohio, are visiting Mrs. Dupsa's daughter and family, Mr. and Mrs. Roland Annis, Jr., Ona Smiley, Mrs. Annis's great-aunt, is also spending some time at the Annis home. The family will also spend some time with Mrs. Dupsa's son and family, Mr. and Mrs. Leonard Bishop.

Mrs. Ernest Blake has kindly consented to be in charge of the Beach Patrol again and needs the assistance of all volunteer mothers.

## MOLLYCKETT DAY PLANNING MEETING HELD

Plans for the fifteenth annual Mollyckett Day Bazaar got underway at an organizational meeting held Friday at the home of the co-chairmen, Mr. and Mrs. Warren Hastings.

Mrs. Burdick Parer, president of the Bethel Health and Service Council which sponsors this annual bazaar, was present. She stated that the success of the Council, which was recently awarded the yearly achievement award by the Maine Health Council, was the result of the untiring effort of all participating organizations, granges, church groups, auxiliaries, fraternal groups and others who belong to the Council.

These same participants participate in the Council's annual fund raising drive, the Mollyckett Day Bazaar.

Mr. and Mrs. John Greenleaf were announced as co-chairmen of the Parade, a big feature of the day which will carry the theme, "Mollyckett's Review of the Nation."

Booths on the Common will follow the parade theme by bearing different national flags. Booth construction will be under the direction of Warren Hastings and assisted by Ernest Perkins and the Boy Scouts. Booth sponsors scheduled to date include the following: M. F. F. Newry Mothers' Club, Lock Mills Legion Auxiliaries, Round Mountain Grange, Pleasant Valley Grange, WSCS, Alder River Chamber of Commerce, Health Council Dental Committee, 4 H Girls, American Legion. ## NTL OPEN TWO PROGRAMS AT BETHEL THIS WEEK

National Training Laboratories, of the National Education Association, Washington, D. C., opened its series of summer laboratory sessions at Bethel, this week. The two programs, which run in Bethel from June 14 to June 26, are the Fifth Annual Training Program in Higher Education and the Eighteenth Annual Summer Laboratories in Human Relations Training (Session I).

The 106 participants at the Program in Higher Education are present as members of teams from over 25 colleges and universities in the United States and Canada, including Alma College, Antioch College, College of Education of New York State University (Buffalo), University of Cincinnati, City College of New York, Columbia, Cornell, Duke, Earlham, Hunter, University of Kentucky, Lesley, University of Maine, McGill (Montreal), University of Michigan, Middlebury, Millikin, Montclair State College, North Carolina, Northern Illinois, University of Pennsylvania, Penn State, Southern Illinois, Springfield, Trenton State, and University of Utah. Several different kinds of teams indicate the varied purposes and emphases of the program; teams of undergraduates and faculty, teams of graduate teaching fellows and their faculty advisors, groups of student personnel workers, and faculty teams from university schools of education are working on human relations problems present in campus government, in campus organizations, and in classroom teaching-learning at the undergraduate and the graduate levels.

The professional teaching staff of ten, headed by Dean Campbell Crockett, of the University of Cincinnati Graduate School, come from six colleges and universities, including Harvard, Cincinnati, University of Michigan, Wellesley, Lesley College, and Yale.

There are 94 participants in Session I of the Laboratory in Human Relations training, coming from throughout the United States, Canada, Belgium, Kenya, and India. The objectives of this program, as of all programs of National Training Laboratories, are personal growth, self awareness, sensitivity to others, creativity, free expression, better listening, group development (understanding dynamics of groups), releasing human potentials, building better teamwork in creating group productivity.

## The Week in Oxford County

Mr. and Mrs. Ralph King, Bryant Pond, will observe their 25th wedding anniversary at their home, Friday.

Times Square Garage, corner Hartford and River Streets in Rumford's island shopping district is being torn down. The site was purchased by the Gasco Bank and Trust Co. from the Whites. A parking lot and driveway are planned for the banking customers.

The fourth Dixfield Summer School session is scheduled to begin June 22. Registrations have been received in Remedial Reading, Speed Reading, Arithmetic, Mathematics, Algebra I, English Grammar, Typing I, and American History.

Dr. Pierre B. Aucoin of Rumford and staff member of Rumford Community Hospital was recently awarded an honorary Doctor of Science degree by Assumption College, Worcester, Mass.

Coats & Clark Inc. announces it is closing its operations in Dover-Foxcroft, effective December 31, and will consolidate with the Stonewall MacGregor division in Dixfield.

The Public Health Service of the Dept. of Health, Education and Welfare has approved \$198,370.00 for Water Pollution Control Plan No. 30 Town of Norway. The estimated cost, which includes construction of sewage treatment plant, interceptor sewers, pumping stations and force mains is \$601,200.00. State funds for this project will match the Federal sum.

Lawrence Stuart, director of State Parks, was in Grafton Sunday to discuss provisions for camp owners in the designated planned park area, between the Newry-Grafton town line and Screw Anger Falls, to stay there. It is hoped the property owners will be able to have a life lease on their property.

Still your  
biggest bargain

The cost of providing  
you with telephone service  
has continued to increase  
along with everything  
else in today's cost  
of living.

But unlike so many other  
things, today's telephone  
service continues to  
give you ever more value  
for your dollar.  
Telephone service is still  
the biggest bargain
